LUXURY AFTERNOON TEA

Tea and Coffee

Your choice of freshly brewed coffee cafetiere or DAMMANN Frères Tea including:

English Breakfast

A sturdy and full-bodied tea that gains a unique subtlety from Ceylon, Darjeeling and Assam teas. A deep, satisfying cup any time of day.

Earl Grey

The most famous flavored tea comes from a blend of black teas with a fine bergamot from Calabria. Simple and reliable for all connoisseurs!

Chamomile

A hardy flavor widely grown in Eastern Europe and harvested between May and July. Its bright yellow infusion reveals sweet, fruity flavors with notes of pineapple.

Peppermint

Perennial herb, peppermint has been harvested before flowering. Known for its powerful scent (menthol), its refreshing infusion is appreciated by many to cleanse the palate.

Chinese Gunpowder Green Tea

Known poetically as "tea pearls" for the Chinese, this lively and astringent tea makes a fresh, thirst-quenching cup of tea. This tea is traditionally used to make the famous mint tea.

Nuits D'ete Red Fruit Infusion

Delicate blend of hibiscus flowers, dried apple pieces, rosehip peels flavored with raspberry, strawberry and cream flavors.

All of our hot beverages are prepared & served with semi skimmed milk. If you would prefer an alternative, please let a member of our team know as we can also provide soya & coconut milk upon request.
